

§ 750.2

12 CFR Ch. VII (1–13 Edition)

charges for which there has been a formal and final adjudication or finding in connection with a settlement that the IAP has not violated certain laws or regulations or has not engaged in certain unsafe or unsound practices or breaches of fiduciary duty, unless the administrative action or civil proceeding has resulted in a final prohibition order against the IAP.

(1) *Troubled condition* means any Federally insured credit union that meets the criteria as described in § 701.14(b)(3) and (4) of this chapter, or has been granted assistance described in sections 208 or 216 of the Act.

§ 750.2 Golden parachute payments prohibited.

A Federally insured credit union must not make or agree to make any golden parachute payment, except as permitted by this part.

§ 750.3 Prohibited indemnification payments.

A Federally insured credit union must not make or agree to make any prohibited indemnification payment, except as permitted by this chapter.¹

§ 750.4 Permissible golden parachute payments.

(a) A Federally insured credit union may agree to make or may make a golden parachute payment if:

(1) NCUA, with written concurrence of the appropriate state supervisory authority in the case of a state chartered credit union or corporate credit union, determines the payment or agreement is permissible; or

(2) An agreement is made in order to hire a person to become an IAP at a time when the Federally insured credit union satisfies or in an effort to prevent it from imminently satisfying any of the criteria in § 750.1(e)(1)(ii), and NCUA, with written concurrence of the appropriate state supervisory authority in the case of a state chartered credit union or corporate credit union, consents in writing to the amount and

terms of the golden parachute payment. NCUA's consent will not improve the IAP's position in the event of the insolvency of the credit union since NCUA's consent cannot bind a liquidating agent or affect the provability of claims in liquidation. In the event the credit union is placed into conservatorship or liquidation, the conservator or the liquidating agent will not be obligated to pay the promised golden parachute and the IAP will not be accorded preferential treatment on the basis of any prior approval; or

(3) A payment is made pursuant to an agreement that provides for a reasonable severance payment, not to exceed twelve months' salary, to an IAP in the event of a merger of the Federally insured credit union; provided, however, that a Federally insured credit union must obtain the consent of NCUA before making a payment and this paragraph (a)(3) does not apply to any merger of a Federally insured credit union resulting from an assisted transaction described in section 208 of the Act, 12 U.S.C. 1788, or the Federally insured credit union being placed into conservatorship or liquidation; and

(4) A Federally insured credit union or IAP making a request pursuant to paragraphs (a)(1) through (3) of this section must demonstrate it does not possess and is not aware of any information, evidence, documents or other materials indicating there is a reasonable basis to believe, at the time the payment is proposed to be made, that:

(i) The IAP has committed any fraudulent act or omission, breach of trust or fiduciary duty, or insider abuse with regard to the Federally insured credit union that has had or is likely to have a material adverse effect on the Federally insured credit union;

(ii) The IAP is substantially responsible for the insolvency of, the appointment of a conservator liquidating agent for, or the troubled condition, as defined by § 750.1(1), of the Federally insured credit union;

(iii) The IAP has materially violated any applicable Federal or state law or regulation that has had or is likely to have a material effect on the Federally insured credit union; or

(iv) The IAP has violated or conspired to violate sections 215, 656, 657,
